Voice 1

There's a place for us, a time and a place for us:  
There's a time and a place for us:  
There's a time and a place for us:

peace and quiet and open air, wait for us, some-where.  
time to gether with time to spare,  
peace and quiet and open air, wait for us, some-where.

time to look, time to care, some-day, some-where:  
time to look, time to care, some-day, some-where:  
time to look, time to care, some-day, some-where:

We'll find a new way of living, we'll find a way of forgiving,  
We'll find a new way of living, we'll find a way of forgiving,  
We'll find a new way of living, we'll find a way of forgiving,
